Bitcoin Suisse

Bitcoin Suisse stands for premium crypto financial services for institutional clients, crypto foundations, family offices, asset managers, and high-net-worth individuals. Established in Zug in 2013 by crypto-native experts, Bitcoin Suisse today unites more than 200 professionals across Switzerland, the European Economic Area, the United Arab Emirates and Bermuda.

Chief Compliance Officer - Liechtenstein

We are looking for an experienced and engaging Chief Compliance Officer to take a key leadership role within our European business in Vaduz, Liechtenstein. You combine strong regulatory expertise with sound judgement, leadership and a pragmatic approach to Compliance.

As a member of the management team, you will lead our Compliance function and act as MLRO. You will be a trusted advisor to the CEO and the Group Management, maintain direct relationships with the FMA and SFIU, and help shape a strong and pragmatic compliance culture in a rapidly evolving regulatory environment.

This is an opportunity for someone who enjoys combining regulatory expertise with business insight and leadership. You will work closely with colleagues in Zug, Switzerland, while leading a small local Compliance team and playing an important role in the further development of our European business.

Your role

- Provide strategic leadership for the Compliance function and drive its continued development as a key enabler of Bitcoin Suisse's European growth strategy
- Act as MLRO and assume overall responsibility for AML and financial crime prevention
- Serve as a trusted advisor to the CEO, the Management Team, and the Group General Counsel on regulatory and strategic matters
- Partner with senior business leaders to support sustainable growth, new market initiatives, and product innovation within a robust regulatory framework
- Represent Bitcoin Suisse (Europe) AG towards the FMA, SFIU and other relevant stakeholders
- Oversee KYC, CDD and ongoing due diligence for new and existing clients in accordance with SPG and SPV
- Assess complex AML and financial crime cases and manage relevant escalations
- Ensure appropriate and timely reporting of suspicious activities to the SFIU
- Advise the business on AML, MiCAR, MiFID II, cross-border compliance, and other regulatory developments
- Support the development of new products and services by providing pragmatic and business-oriented Compliance guidance
- Ensure financial products, services and marketing activities meet applicable regulatory requirements
- Develop and continuously improve Compliance policies, processes, and controls
- Monitor regulatory developments and translate them into practical requirements for the business
- Deliver engaging Compliance training and promote a strong compliance culture across the organisation
- Collaborate closely with Compliance colleagues and other key stakeholders in all locations

What makes you a great fit

- A degree in Law, Economics, Finance, or a related field
- At least 5 years of relevant Compliance experience in financial services, including senior or leadership responsibilities
- Strong knowledge of **the Liechtenstein regulatory environment**, particularly SPG, SPV and TVTG
- Practical experience working with the FMA and SFIU
- Strong expertise in AML/KYC, CDD and financial crime prevention
- Familiarity with MiCAR, MiFID II, cross-border compliance, and FATCA/CRS
- The confidence to advise senior management and challenge constructively when required
- A pragmatic and solution-oriented approach, balancing regulatory requirements with business needs
- Strong communication and stakeholder-management skills
- Genuine interest in digital assets, blockchain, and the future of financial services
- Fluency in German and English; additional languages are an advantage

What we offer

- **Expertise:** Work with crypto native experts
- **Culture:** Positive and supportive team culture that relies on common goals, ambitions and values
- **Activities:** Regular team events and activities
- **Ownership:** High level of autonomy and responsibility
- **Crypto Salary:** Option to get a part of your salary in Bitcoin and/or Ether
