

Bitcoin Suisse is Switzerland's crypto-native pioneer and trusted gateway to digital asset investing. As the country's leading crypto financial services provider, we connect clients to the most relevant crypto markets through brokerage, custody, staking, and a wide range of innovative digital asset solutions. Driven by a passion for cryptocurrencies and blockchain technology, we have played a key role in shaping Switzerland's renowned Crypto Valley. Headquartered in Zug, with offices in Copenhagen, Vaduz, and Bratislava, we serve (ultra-)high-net-worth individuals and institutional clients with expertise, innovation, and a client-first approach.

Crypto Trader

As a **Crypto Trader in Zug, Switzerland**, you will join Bitcoin Suisse's Trading & Brokerage team, delivering best execution for our clients while contributing to the company's continued growth. This role offers the opportunity to navigate fast-moving crypto markets, work alongside experienced traders and crypto natives, and make a direct impact in one of the industry's most dynamic environments.

You will have the following responsibilities

- **Best execution.** Execute client orders with precision, always acting in their best interest.
- **Operational excellence.** Ensure smooth daily trading operations through reconciliations and process oversight.
- **Liquidity management.** Manage liquidity efficiently across multiple crypto exchanges.
- **Strong partnerships.** Build and maintain trusted relationships with exchanges, banks, and other key partners.
- **Continuous improvement.** Drive projects that enhance trading products, workflows, and procedures.
- **Product innovation.** Collaborate with product owners and developers to create intuitive, business-focused trading solutions.
- **Insightful reporting.** Produce accurate trading reports that support transparency and informed decision-making.

What you bring along

- Bachelor or Master's degree in Finance, Banking, Mathematics or similar
- Proven experience in the financial sector as a Trader (trading Equities, FX or Commodities) in Switzerland
- Good understanding of regulatory landscape (e.g. market conduct)
- Excellent knowledge and experience in trading mechanisms
- Strong interest in cryptocurrency markets and knowledge of crypto exchanges of advantage
- Availability to work occasional shifts after business hours
- Responsible personality
- Ability to work independently, take initiative and ability to stay calm in case of hectic circumstances
- Fluency in English. Other European languages are of advantage

What we offer

- **Expertise:** Work with crypto native experts
- **Culture:** Positive and supportive team culture that relies on common goals, ambitions and values
- **Activities:** Regular team events and activities
- **Ownership:** High level of autonomy and responsibility
- **Crypto Salary:** Option to get a part of your salary in Bitcoin and/or Ether
- **Workation:** Enjoy the flexibility of working across designated EU countries, with up to 10 days a year to combine work and travel

Please note that for this position, only direct applications with a valid working permit for Switzerland will be considered.
