

Bitcoin Suisse is the Swiss crypto-native pioneer and trusted gateway to crypto asset investing. As the leading crypto financial service provider in Switzerland, we operate across the most relevant crypto exchanges and provide brokerage, custody, staking and other crypto-related services at the forefront of technical innovation. We are as dedicated to our clients as we are passionate about cryptocurrencies and the underlying blockchain technology. We make things happen and have helped to shape the crypto and blockchain ecosystem in Switzerland as a driving force in the development of the 'Crypto Valley'. Bitcoin Suisse is headquartered in Zug with offices in Copenhagen, Vaduz and Bratislava and targets (ultra-) high-net-worth private individuals and institutional clients.

Crypto Trader

As a Crypto Trader in the Trading & Brokerage division, you will be part of Bitcoin Suisse's core trading team enabling Best Execution for our clients and contributing to our revenue growth. This versatile role lets you actively participate in the fast-paced crypto markets while collaborating with a team of professionals and crypto natives.

You will have the following responsibilities

- Executing orders in the best interest of our clients
- Provide clients and account managers with execution advice
- Manage the liquidity on the different crypto exchanges
- Uphold and manage close relationships to exchanges, banks as well as other business partners
- Identify and implement new possible business opportunities
- Contribute to projects improving trading products and procedures
- Assist our developers with the construction of user- and business-friendly software
- Actively manage and monitor BTCS Nostro positions
- Align fiat treasury activities with company's long term financial planning
- Assist account managers in client meetings
- Perform daily reconciliation and other trading operational activities
- Creation of various trading related reports

What you bring along

- Bachelor or Master's degree in Finance, Banking, Mathematics or similar
- Proven experience in the financial sector as a Trader (trading Equities, FX or Commodities) in Switzerland
- Good understanding of regulatory landscape (e.g. market conduct)
- Strong interest in cryptocurrency markets and knowledge of crypto exchanges of advantage
- Excellent knowledge and experience in trading mechanisms
- Dedicated to work evening shifts including weekends
- Responsible personality with strong team player attitude
- Entrepreneurial mindset and drive to identify and leverage new business opportunities
- Ability to work independently, take initiative and ability to stay calm even in hectic situations
- Fluency in German and English; French and other European languages are of advantage

What we offer

- **Expertise:** Work with crypto native experts
- **Culture:** Positive and supportive team culture that relies on common goals, ambitions and values
- **Activities:** Regular team events and activities
- **Ownership:** High level of autonomy and responsibility
- **Crypto Salary:** Option to get a part of your salary in Bitcoin and/or Ether
- **Fitness:** Sport over lunch activities
- **Location:** Office location in crypto valley right next to the train station of Zug
- **Workation:** Enjoy the flexibility of working across designated EU countries, with up to 10 days a year to combine work and travel

Please note that for this position, only direct applications with a valid working permit for Switzerland will be considered.
