

Bitcoin Suisse is the Swiss crypto-native pioneer and trusted gateway to crypto asset investing. As the leading crypto financial service provider in Switzerland, we operate across the most relevant crypto exchanges and provide brokerage, custody, staking and other crypto-related services at the forefront of technical innovation. We are as dedicated to our clients as we are passionate about cryptocurrencies and the underlying blockchain technology. We make things happen and have helped to shape the crypto and blockchain ecosystem in Switzerland as a driving force in the development of the 'Crypto Valley'. Bitcoin Suisse is headquartered in Zug with offices in Copenhagen, Vaduz and Bratislava and targets (ultra-) high-net-worth private individuals and institutional clients.

Senior Legal Counsel

You responsibilities

- Provide expert legal and regulatory guidance on complex issues related to crypto financial services, ensuring compliance with applicable banking and securities regulations as well as risk mitigation
- Deliver comprehensive legal support across the full lifecycle of products and services, such as custody, staking, trading, and lending, including drafting, reviewing, and negotiating high-value contracts
- Analyze and interpret intricate legal and regulatory frameworks surrounding blockchain technology and crypto assets, offering strategic advice to shape product development and business initiatives
- Advise on and support the international expansion and optimization of the Bitcoin Suisse group's corporate structure, ensuring adherence to global regulatory standards
- Mentor team members within the Legal function, fostering collaboration and knowledge-sharing across departments to drive organizational alignment

What you bring along

- Master's degree in law from a Swiss University
- Admission to the bar, postgraduate studies (LL.M) or doctorate is desirable
- Several years of experience as a legal counsel in a FINMA supervised company, a law firm, a crypto startup - and/or a big four company
- Solid and profound experience in Swiss financial market regulations as well as private and corporate law, "crypto law" experience is a plus
- Able to work under pressure, independently and in a dynamic environment
- Entrepreneurial, adaptive, critical and outside the box thinking and appreciation of an open feedback-culture
- Proactively facing the challenges of the distributed-ledger and blockchain technology and eager to find consistent legal and regulatory solutions
- Able to set priorities in a constantly changing business environment and working within a defined timeline
- Fluent in German and English, any other language is a plus
